

Declaration of Major/Minor Change of Status

The Declaration of Major/Minor Change of Status form must be completed to notify the Jepson School of a change of status as a major or minor in Leadership Studies. Current leadership majors should first meet with and obtain the signature of their Jepson faculty advisor before returning the form to the Jepson School drop box (located at Jepson 122) for approval by the associate dean for student and external affairs.

In addition, students must update their official academic record by completing and obtaining the required signatures on the ‘interschool’ Major/Minor Declaration form from the Registrar’s Office. Major/Minor Declaration forms received by the Registrar’s Office after the two-week add/drop period will not be processed by the Registrar until the end of the term.
