

Alumni Award

Rationale:

The first class graduated from the Jepson School of Leadership Studies twenty years ago. Accordingly, the faculty at the School wishes to recognize alumni who graduated at least 20 years ago.

Description:

This alumni award recognizes the extraordinary achievements of a graduate of the School. Honorees will be acknowledged for significant accomplishments that reflect the mission of the Jepson School.

Eligibility:

Nominees must have graduated from the University at least twenty years prior with a major or minor in leadership studies. Honorees are expected to attend the presentation on Reunion Weekend to receive the award.

Nomination Process:

Calls for nominations will be circulated in January to alumni, faculty and staff. The deadline for nominations is approximately two months before Reunion Weekend.

A nomination should consist of:

- ❖ A letter of nomination, including the name and a paragraph, in support of the nominee.
- ❖ No more than three pages of supporting information from the nominator or others expressing their opinion of the candidate's worthiness. Additional information that would assist the selection committee could include a resume, curriculum vitae or biographical sketch; other materials such as newspaper clippings, articles, etc.

A staff member will research each nominee and put together information for the Awards Selection Committee.

The Awards Selection Committee will be composed of two current or emeriti Jepson School faculty members, the Associate Dean for Student and External Affairs, and, ex officio, a representative from Alumni and Career Services. The committee will make a recommendation for the award winner and the dean will present the recommendation to the full Jepson faculty. Upon approval, the recommendation will be sent to the Assistant Vice President for Alumni and Career Services.
